Dear Members of the Board,

Achieving My Purpose is grateful for the Arizona Women's Partnership's support. Please accept our sincere appreciation for your grant of \$1,000 to help improve the lives of underrepresented and underserved women of color through Achieving My Purpose's POW-HER Wellness program.

Your support enabled Achieving My Purpose to achieve the following successes in its fiscal year 2021 (January 1, 2021 – December 31, 2021):

- Pivoted to a virtual platform to continue offering health and wellness services for underrepresented women of color;
- Enhanced POW-HER program curriculum to reflect virtual format;
- Hosted a nine-month Leadership cohort for ten participants (50% - African American and 50% Hispanic); and
- In the 4th Quarter, AMP hired a program director/consultant to help lead our programs, including POW-HER. The consultant will help identify participants, coordinate and evaluate our programs.

Should you have any questions, please feel free to contact me by phone at (480) 531-3980 or via email at lgroomes@achievingmypurpose.org.

Thank you for partnering to help women of color in our community through the POW-HER Wellness program.

Sincerely,

Dr. Linda Groomes,
President and Chief Executive Officer
