Dear Paula,

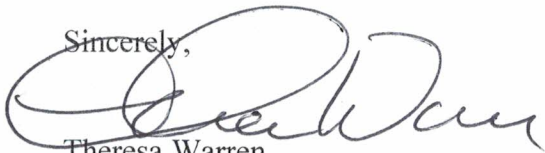

Please accept this as our report to you for the 2023 grant funding we received by your organization. We received \$2,750.00 in 2023 to help cover the costs of our 24-hour crisis phone lines. This is a vital part of our program in that it is the entry point for more than 95% of our clients. It is also how law enforcement and the hospitals reach us in a domestic violence or sexual assault emergency. Our cost in 2023 was approximately \$12,000. This program was funded by your organization of \$2,750.00, APS funded \$3,000, AZ Dept. of Economic Security funded \$2,300, Bank of the West funded \$1,350, AZ Eastern Star funded \$1,350, Navajo Nation funded \$1,100 and the balance of \$150 was covered with general income.

In 2023 we received 448 crisis calls (11,550 minutes). In addition to our 24-hour crisis hotline, we provided 2,958 shelter bed nights, case management, safe transportation, lay legal advocacy, crisis intervention and safety planning, adult support groups with domestic violence education, children's support groups, educational programs, workplace and financial management workshops, community outreach/awareness, and teen dating abuse programs. In 2023 we served 148 individuals in our program. Of these clients, 48% were Native American, 25% Caucasian, 16% Hispanic, and 11% African American.

Please be assured that Alice's Place is dedicated to helping victims of domestic violence and sexual assault 24 hours a day, 365 days a year (366 in 2024!). Thanks to your organization, we were able to be here for them.

We wish you all the best for a joyous, prosperous, and healthy New Year!

Sincerely,

Theresa Warren  
Executive Director
