From: AZ Reach

Re: Grant Report

AZ Reach is extremely grateful to have been an AZWP Grant Recipient in the amount of \$1,000.00. These funds came in at an essential time as there have been many students and families in our community who have been hit hard by COVID and have difficulty getting basic essentials.

Summary of Success:

- We've served over 150 students and their families by providing more than 300 clothing and hygiene products.
- We provided shoes to over 20 students in need.
- Students were able to earn Community Service Hours by helping in Cesar's Closet, hours totaled 75.
- We were able to cover the electric bill for a family in desperate need.

We are so thankful for this grant that allowed us to purchase and distribute clothes, shoes and hygiene products to at-risk youth. Thank you for the support in 2021 and we look forward to continuing our partnership in the future.

Thank you,

Juan Chavez
President
