Dear Paula and Members of the Arizona Women's Partnership

On behalf of Care 4 the Caregivers, I extend our deepest gratitude for your generous donation of \$1,000. Your support means a great deal to us and contributes significantly to our mission of assisting those raising children with disabilities.

At Care 4 the Caregivers, we are dedicated to providing support and resources to caregivers facing the unique challenges of caring for a child with a disability. Your donation enables us to continue our vital work, offering assistance that goes beyond the ordinary to make a meaningful impact on the lives of caregivers.

With your help we achieved the following this year:

- Expanded our services to Tucson and Flagstaff
- Directly served over 2,000 caregivers in Arizona
- Taught 21 organizations the Protective Factors Framework
- Provided counseling and support groups for over 300 families

Once again, thank you for your thoughtful contribution. Your partnership is instrumental in helping us make a positive difference in the lives of those who dedicate themselves to caring for others.

Sincerely,
